## NERO D'AVOLA

CERTIFIED ORGANIC BY ICEA

### VINEYARD

Cantina Volpi, Italy

The vineyard uses a form of "clean" agriculture without using any pesticides and chemical substances in accordance with the rules set by the organic bodies. Each stage of the production is certified: vineyard, vinification process, storage and bottling.

### VARIETAL

100% Nero d'Avola

### WINEMAKING

Fermentation in stainless steel vats with controlled temperature, malolactic fermentation.

### TASTING NOTES

Spicy and dry with a harmonious aroma of blackberry and plum fruits.
