## 100% CALIFORNIA ZINFANDEL BLEND

This Red is all about chill - whether it's in the air or by the fire. Big and cozy like your favorite flannel shirt, yet bold enough to stand with a steak or to your uncle's crazy Thanksgiving political pronouncements - with a little spicy fruit nipping at your nose to boot. MOVE OVER, PUMPKIN SPICE.

## ABOUT THE DROP

We're a wine company that respects the past – the players, the style, the grapes! But the past has passed and life got fast. (The answer was never at the bottom of a bottle anyway.) So we twisted tradition, bent wine to our will, and put it in a can. Let's forget the corkscrew without being screwed. Finally, a wine packed to keep up with us.
